No Same Day Deliveries to Residential Non-Business addresses

To ensure Sydney Metro businesses receive a reliable Same Day service, we are changing our service for deliveries to residential addresses.

If it is not a home business (someone there 9am-5pm) or does not have a business name, we will deliver next day.

Go Logistics is mostly a business to business courier and we feel with these changes everyone gets the best possible service.

Please note Go Logistics does not service Defence Bases, Auction Houses or National Park areas.
