

H82/JBHL

'JABSCO - HY-LINE / ULTIMA LOBE PUMPS' SPECIFICATION SHEET

► **Suits Jabsco Hy-Line / Ultima**
► **Replacement seal kit**

H82/JBHL is designed to replace the mechanical seals in Jabsco's Hy-Line and Ultima range lobe pumps.

Seal faces are balanced with the rotating seat fitted directly into the back of the rotor.

Kit is designed to replace the wearable seal faces, seal trim kit and wave spring.
