

HDCR

'VM PUMP - SCREWED CARTRIDGE SEAL'
SPECIFICATION SHEET

- **Screwed Cartridge Seal**
- **OEM Replacement**
- **Suits Davey VM (M Series)**

HDCR replaces the newer screwed-in cartridge seals fitted to newer Davey VM (M Series) - Vertical Multi-stage pumps.

► Seal Installation

Available in three sizes.

All seals sizes feature a threaded design for a screw-fit installation using the hex-nut. A spacer (supplied) is used to set the correct compression distance.

► Materials

Seal Faces: SiC/SiC
Elastomers: EPDM or Viton
