

HSLR4, 5

'H/INO/SLR4'
SPECIFICATION SHEET

- ▶ Suits Inoxpa SLR lobe pumps
- ▶ Seal assembly for SLR 4 & 5
- ▶ Integrated shaft sleeve

HSLR4 & HSLR 5 is designed to replace the mechanical seal assemblies in Inoxpa SLR 4 & SLR 5 rotary lobe pumps.

The double o-ring seat provides additional friction for anti-rotation, with the outer o-ring retained by a cover plate.

The seal sets on an integrated shaft sleeve, and is supplied as one unit.

▶ Material Options

Rotary Face: SiC inserted
 Stationary Face: SiC inserted
 Sleeve: S.S.
