

# HWS

## 'H/APV/WS' SPECIFICATION SHEET

- ▶ Suits outphased APV W pumps
- ▶ World Series (WS)
- ▶ Rosista W centrifugal pumps
- ▶ Single product seal assembly

HWS is designed to replace the mechanical seal in older outphased / obsolete APV / Rosista World Series (WS for short) centrifugal pumps. Not to be confused with newer W+ range.

See HWS-F for flushed seal version
