

METRIC EURO SEAT

'METRIC SEATS TO EUROPEAN DIMENSIONS'
SPECIFICATION SHEET

- **Metric sized shafts**
- **Suits European metric cavities**

Metric seats to suit common European metric cavities, although some sizes match up DIN cavity dimensions.

G4 seat is a non-pinned O-ring mounted stationary.

G13 seat is typically carbon face, needing to be machined to suit the rotary tracking face.

- **Materials of Construction**

Stationary Face: SiC
Elastomer: N, V or EP

G4 EQUIVALENT

Vulcan: Type 8.STD

G13 EQUIVALENT

Vulcan: 8B
